Dear Barry and Johan

Thank you so much for making my in-laws 50th wedding anniversary party such a wonderful success. The food was absolutely delicious, and I've passed "The Catering & salad factory" along to my friends for future reference. I really enjoyed working with all of you. I'll be calling again soon maybe if you have a Christmas lunch menu you can keep me in mind for 30 people.

Thanks again to you and your team you the BEST!!!

Dear Barry

I, and everyone else in my family, want to once again thank you for your outstanding service and exceptional food which we enjoyed on Saturday (and again on Sunday). We had only compliments from the guests, and everybody said we should use you again next time around. And, as said previously, even .Granny (who, at that age, is a very fussy eater) really enjoyed the food and wanted us to convey her appreciation.

You and your staff really went out of your way to help on Saturday and for that we thank you and them.

I just had one request - which brand of icecream did you use? as my sister said she hasn't had such lovely creamy icecream in a long time. :-) (My daughter's favourite was your pumpkin fritters, I saw afterwards she actually took her own doggy bag of just pumpkin fritters home for later.)

Thank you once more.

Warmest Regards

Hi Johan and Barry

I and the Birthday girl would like to thank you for making our party a success. We really enjoyed your food and our guests were really impressed with how you prepared your food and astonished by how you set up your tables. I wouldn't be surprised if you got a couple more bookings. Everyone couldn't stop talking about your chakalaka, vegetable bake and Ratatouille, not forgetting your meats! The sponge cake, choc sauce and your special ice cream was exquisite I personally couldn't have enough of it.

Thank you once again for the excellent service, patience, willingness to assist and amazing service!
You are the best!!!! ☐
Warmest regards

Good Morning Tracy,

I trust that everything was collected ok yesterday.

I would just like to say a very big thank you for organising the food for me for Saturday - we were totally blown away with the quality and quantity of food that there was. Everyone complimented on how tasty the food was. I understand that it was not the cheapest option, but the level of service and the way that everything was set out, it was perfect. I would definitely contemplate utilising their services again.

Kind regards,

Karen
